PETITION FOR RULEMAKING

TRL Broadcasting Company ("TRL Broadcasting"), by counsel, hereby petitions the Federal Communications Commission for the initiation of a rulemaking proceeding to amend the FM Table of Allotments, Section 73.202 of the Commission's Rules, to assign FM Channel 297A to the community of Tylertown, Mississippi, as follows:

-	City	Present	Proposed
	Tylertown, Mississippi	249A	249A, 297A

1. As indicated in the attached Engineering Statement (attached hereto as Exhibit 1), Channel 297A can be assigned to Tylertown in complete compliance with the Commission's distance separation requirements as contained in 47 CFR §73.207. The reference coordinates: 31-05-29 N 90-05-41 W will show the 70dbu (city grade contour) entirely encompassing the city of Tylertown, Mississippi. Moreover, there is a wide area available for placing an appropriate transmitter.

- 2. Tylertown is a town located in Walthall County, Mississippi (pop. 14,352). According to the 1990 Census, Tylertown has a population of 1,938 persons. Tylertown is located along state highway 48, directly above the Louisiana panhandle in south-central Mississippi. At present, Tylertown has only one other local FM service. Therefore, the public interest will be served by the assignment of Channel 297A to Tylertown, Mississippi.
- 3. If the Commission assigns Channel 297A to Tylertown, Mississippi, TRL Broadcasting will apply for a construction permit and will construct a new facility upon award of that permit.

WHEREFORE, in accordance with the above, TRL Broadcasting

Company respectfully requests that Channel 297A be assigned to Tylertown,

Mississippi.
